What it Did for an Old Lady. COSHOCTON STATION, N. Y., December 28, 1878.

GENTS-A number of people had been using your Bitters here, and with marked effect. In one case, a with marked effect. In one case, a lady of over 70 years had been sick for years, and for the past ten years has not been able to be around half the time. About six months ago she got so feeble she was helpless. Her old remedles or physicians being of no avail, I sent to Deposit, for the market was a red out a sent to be posit, and the sent to forfy-five miles away, and got a bottle of Hop Bitters. It improved her so she was able to dress herself and walk about the house. When she had taken the second bottle she was able to take care of her own room, and walk out to her neigh bor's, and has improved all the tim since. My wife and children also have derived great benefit from
